

## Edgebanding

Wood veneer edgebanding is the perfect compliment and finishing touch on your veneered panels and edges. Quality wood veneers are expertly joined to create continuous rolls of ready to use trim to finish off unsightly edges. Our edgeband is available in a variety of sizes and wood species. You also have a choice between a pre-glued hot melt adhesive and a fleece-back for automated applications. PRICES LISTED ARE PER ROLL.

SPECIES 7/8" x	50'	50'
	Pre-glued	Fleeceback
Birch	\$ 11.95	----

In addition to our regular edgeband stock we offer other sizes and species as special order. Exotic, domestic, narrow, wide, or in between sizes aren't a problem for us. Any custom order edge banding is available sanded with fleece backing or pre-glued with hot melt adhesive. We also offer thick edge banding in 1mm, 1.5mm, 2mm and 3mm thickness and up to 6" widths and profile wrapping veneer in 500' and 1000' rolls up to 10" wide. Pre-finished edgebanding is available in some species. In most instances a 5-7 day lead time is common and some minimums may apply.

- Available for most common wood species.
- Comes in standard widths from 7/8" – 2".
- Roll lengths from 50' up to 500' for commercial applications.
- Convenient, easy to use and trim with ordinary tools.
- Other sizes and species available as special orders.
- We offer Volume Price discounts.
- Orders placed by 3 P.M. (EST) will ship the same day.
- All major credit cards accepted.
